

Sol's ARC
Transforming Education

Sonali Saini

Founder Director

Masters in special education by profession, Sonali Saini has worked extensively on curriculum and pedagogy development for children with special needs for more than 20 years. Her vision is to create equal opportunities for all children across abilities. She has served various expert committees like Pratham, Nandan Nilekani Foundation's, Ekstep, Unicef, Govt. of Maharashtra, Educate Girls, SNDT University, etc. Under her leadership Sol's Arc has grown and become the first organization to scale in the special education sector.
